Students are expected to complete the course within an eight or nine consecutive week period. A student who has not completed the course within a fifteen-week (110 day) period may be dropped from the course without credit. A parent will notify the school in advance of an unavoidable absence, which must be made up before certification of completion can be entered into the system. A student missing more than 3 of the 15 classroom sessions will be dropped from the program without refund. Not more than 2 hours of classroom and 1 hour of BTW instruction can occur on the same day. Students must be 15 before the first day of class.

Students are expected to be present and on time for driving appointments. Since other students are waiting, instructors will wait no more than five minutes. A parent will notify the school at least twenty-four hours in advance* of an unavoidable cancellation so that another student may be scheduled. The state instruction permit must be shown to instructor before each driving session. **STUDENTS MUST BRING PERMITS IN ORDER TO DRIVE.** No permit will be treated same as a missed drive.

Outstanding enrollment fees are due 30 days after the selected class start date. Failure to pay fees and fines as required can result in suspension of in-car instruction privileges until all fees and fines are paid. Unless prior arrangements are made, a \$10.00 charge will be added to the unpaid balance for fees received after 30 days. An additional 2% per month will be added to the unpaid balance each 30 days thereafter. No completion certification will be entered until all monies owed are paid. Required down payments and fees are non-refundable seven days prior to selected start date. Once the student has attended one or more class sessions no refunds are given and the full tuition amount is due and payable. All refunds are subject to a \$50.00 administration fee.

The course provides six, sixty-minute (1 hour) drives behind the wheel and a minimum of sixty minutes (1 hour) of observation time. Additional drives will be provided at the rate of \$60.00 per sixty minutes (1 hour) of instruction if requested by a parent or required to successfully complete the program.

All assignments will be completed by each student and a record will be kept in his/her folder. No completion certification will be issued without 80% performance on each assignment, driving and classroom; **no exceptions.**

The following schedule of fines/fees applies:

<u>Missed drive without 24 hour notification *(each time)</u>	\$30.00
<u>Un-returned or defaced textbook</u>	\$20.00

Student Worksheet 1.3.1 Policies, Procedures, Responsibilities, Opportunities

Attendance policy: Students are expected to complete the course within an eight to nine consecutive week period. **A student who has not completed the course within a fifteen-week period (110 Days), or has missed more than 3 of the 15 classroom sessions may be dropped from the course without course credit or refund.** A parent or guardian will notify All Seasons Driving School in advance of an unavoidable absence, which must be made up before a certificate will be issued. A \$5.00 fee will be imposed per absence when notification is not received.

Course Structure: Our course is structured using the “Washington State Traffic Safety Education Student Manual”, published by Propulsion International Inc.; and student worksheets extracted from the Washington State curriculum guide published by the Office of Superintendent of Public Instruction. The course consists of a minimum of thirty hours of classroom and up to twelve hours of in-car experience, six hours of which is behind the wheel instruction for each student. Key learning points are also supplemented with videotape media. The Washington State Department of Licensing approves the Curriculum.

Textbook/Student Manual and Worksheet Procedures: Each student will be assigned a Textbook / Student Manual and provided with blank answer sheets for taking the associated tests. Test results are retained as a permanent record of student performance. Textbooks are the property of All Seasons Driving School. A \$20.00 fine will be assessed for defacing or writing in the Student Manual. Students will complete worksheets and tests during class, time permitting: Material covered will then be gone over with the instructor.

Procedures when failing tests and worksheets: Any student not achieving 80% or better will have to make up deficient work. All tests are open book. Students not achieving 80% after two retakes are failing the course and parents will be notified accordingly.

Cheating / Copying on tests or student worksheets: Any copying or cheating may result in expulsion from the program without refund. All tests and worksheets are open book. Consequently, students are expected to find the answers through independent research and active listening and learning during classroom instruction.

Scheduling on-street instruction: Driving instruction scheduling will be conducted on first come first serve basis; taking into consideration student dismissal times from school and or other scheduling conflicts. A parent or guardian will notify All Seasons Driving School at least 24 hours in advance of an unavoidable cancellation so that another student may be scheduled. Less than 24-hour notice constitutes a missed drive. The Washington State Instruction Permit must be shown to the instructor prior to each driving session, no exceptions. No permit on person and missed drives result in a \$30.00 fine.

Classroom schedule: Classes are Tuesday, Wednesday and Thursday afternoons from 3:30 to 5:30 PM or evenings from 6:30 to 8:30 PM for five weeks. Students are expected to be on time and ready to learn. (Class times may vary from the above based upon seasonal adjustments).

Grading: Students must achieve 80% or better in the classroom and behind the wheel in order to pass the course.

Student Responsibilities: Students are to conduct themselves in an orderly and polite fashion. Any vandalism, illegal activity, tobacco use, profanity, disruptive, harassing or abusive behavior will result in expulsion from the program without refund. Students must be 15 years of age to attend. Course enrollment is closed after the third day of instruction for that session.
